

Well done to all of our Robins class pupils for their enthusiastic participation in this week's multi-sports event at William Brookes School. It was great to see their confidence in mixing with children from other schools and, as always, their behaviour and attitudes were a credit to our school.

Thank you to everyone who has provided feedback direct to me and for your understanding regarding school rules on AirUp water bottles and football on the playground. It can sometimes be difficult to meet everyone's wishes when making school arrangements, but please be assured that the best interests of the children are always the primary consideration for any decision which is made in school.

Thank you to FOBS (Friends of Brockton School) for their continued support and fundraising efforts to benefit all of our children. Please consider getting in touch with them to help out - there are lots of jobs, big and small, to be done!

LAST DAY OF TERM

This half term's Christian value is:

Courage

Courage doesn't always roar. Sometimes courage is the little voice at the end of the day that says I'll try again tomorrow.

Red Kites

This week in Literacy we have been thinking about traits of the main characters in *The Tempest* and making a dialogue. In Maths we have been working through all the elements of short and long multiplication. Keep perfecting those times tables everyone!

This week we welcomed Mrs Morris, a maths teacher from William Brookes, into Red Kites. She gave Y5/6 an insight into what maths at William Brookes looks like. She was impressed by their knowledge about sequences and even tried out some algebra meant for Y7/8. Well Done! We are looking forward to a visit from Ms Laybourne, an English teacher, at the end of February.

Next Tuesday, we welcome the Imam from Craven Arms mosque to talk to Red Kites about life as a Muslim, this will further our understanding of the Islamic faith.

Please make sure your child has their PE kit in every day as these days may change at short notice and we may need to go outside for other areas of the curriculum.

Thank you.

Please remember our School Council members are organising a celebration of Number Day next Friday 7th February.

Donations of cakes welcome and please come to school in your own clothes with a numbers theme.

We hold a weekly on-line worship session in school led by Hereford Diocese - here are some activities linked to this half term's theme.

Worship Videos Spring 1

This half term we will celebrate parts of Jesus' life from the visit of the wise men at Epiphany, his baptism and when he visited the temple with his parents. We will also learn about people who showed great courage from the Old Testament.

1. Epiphany - follow the star
2. Jesus' Baptism
3. Noah - People of Courage
4. Esther - People of Courage
5. Candlemas
6. Joseph - People of Courage

Sorry washing

The wise people will shine like the brightness of the sky. Those who teach others to live right will shine like stars forever and ever. +
Daniel 12:3

How do you showcase wisdom?
Who do you see as wise today?
How do they shine?
In what ways can you teach others to be wise?

When Christians pray to ask for forgiveness and say sorry for their wrong choices it is called repentance. Baptism is a sign of repentance.

Fill a bowl with water.

Take some time to think about the wrong choices you have made that you would like to say sorry to God. As you ask God to forgive you for each wrong choice wash your hands to show that you are asking to be made clean again.

Candlemas

Design your own prayer candle, what images or symbol would you choose to put on it to help you pray?
Maybe you could use a battery powered candle at home as a focus to help you reflect and pray there.

Scales often symbolize Justice. If you have a pair at home or school, use them for reflection. Write down names of those facing injustice on one side and a prayer for them on the other.
What happens if you keep adding new prayers?

Use me, God. Show me how to take who I am, who I want to be, and what I can do, and use it for a purpose greater than myself.
Martin Luther King Jr.

What makes us wise today?

What are the right things that you need to do?
If you were the prime minister for the day which rules would you change to protect people?

Can we go a whole day without making wrong choices in what we say, think and do?
In what ways is Jesus like a light in the world?
Which takes more courage, to forgive and move on to to keep a grudge?

Lego Ark

Gather some bricks or other construction toys to build an ark. Think about how Noah had to persevere despite others trying to stop and distract him.

When have you had to persevere?
Who you would want to keep safe aboard it.
Pray for their safety.

RIP & REPAIR

Take a sheet of scrap paper. Tear it in half.

Think about people and places that you are aware of that need reconciliation. Who are the two 'parties' that need to be reconciled?
Write or draw one 'party' one each half.

Pray for them and then stick the two pieces back together using sticky tape or a sticky plaster as a sign of what you are praying for.

Notice who the torn edges still show. The rip isn't forgotten about, but the repair brings them closer together.
